HOW TO FIND YOUR MACHINE MODIFIER CODE

Every machine will have a unique 8 digit Machine Modifier Code. We will need this code to issue registration codes. To find your Machine Modifier Code use any of the following methods.

1) If your 30 evaluation is expired, the following message appears when you launch the software.

Comcash Registration
Your 30 day evaluation for ComCash has expired. Please enter a valid release code to continue using this product. To get it, visit http://www.comcash.eom/register_comcash.html with the following code: Single License: 573EEA40
Default Password is: CCMAN
✓ ОК

2) On the "About" screen: (In Comcash POS, "About" is under "Extras". In Comcash Manager it is under "Other")

Special Operations	Bags Brook
